"Life Goes On"

It hit like a train

I ran out of words

I got nothing to say

Everything hurts

And I know love leads to pain

But memories serve our sweetest refrain

The waves came tumbling down

As you float away I'm reaching for you

To tell me how,

How my life goes on with you gone?

I suppose I'll sink like a stone

If you leave me now

Oh the storms will roll

Easy come, hard go

Then life goes on

Would I miss the flames?
The heated reserve
Oh I'd remember the way
That you put me first
What a heart wrenching shame
That you'll never know, just like tears in the rain

A constant grey in the clouds
When I hear your name
I think of love
So tell me how,
How my life goes on with you gone?

I suppose I'll sink like a stone
If you leave me now
Oh the storms will roll
Easy come, hard go
Then life goes on

I watched the sun setting down
I am so afraid
I need you now

To tell me how,
How my life goes on with you gone?

I suppose I'll sink like a stone

If you leave me now

Oh the storms will roll

Easy come, hard go

Then life goes on

Easy come, hard go

Then life goes on
