"Mine"

Oh, oh, oh

Oh, oh, oh

You were in college, working part-time, waiting tables

Left a small town, never looked back

I was a flight risk, with a fear of fallin'

Wondering why we bother with love, if it never lasts

I say, "Can you believe it?"

As we're lyin' on the couch

The moment, I can see it

Yes, yes, I can see it now

Do you remember, we were sittin', there by the water?

You put your arm around me for the first time

You made a rebel of a careless man's careful daughter

You are the best thing, that's ever been mine

Flash forward, and we're takin' on the world together

And there's a drawer of my things at your place

You learn my secrets and you figure out why I'm guarded

You say we'll never make my parents' mistakes

And we got bills to pay

We got nothin' figured out

When it was hard to take

Yes, yes

This is what I thought about

Do you remember, we were sittin' there, by the water?

You put your arm around me, for the first time

You made a rebel of a careless man's careful daughter

You are the best thing, that's ever been mine

Do you remember all the city lights on the water?

You saw me start to believe, for the first time

You made a rebel of a careless man's careful daughter

You are the best thing, that's ever been mine

Oh, oh, oh, oh

And I remember that fight, two-thirty am

'Cause everything was slipping right out of our hands

I ran out, crying, and you followed me out into the street

Braced myself for the goodbye,

'Cause that's all I've ever known

Then, you took me by surprise

You said, "I'll never leave you alone"

You said, "I remember how we felt, sitting by the water

And every time I look at you, it's like the first time
I fell in love with a careless man's careful daughter
She is the best thing that's ever been mine"
You made a rebel of a careless man's careful daughter
You are the best thing, that's ever been mine
Do you believe it?
We're gonna make it now
And I can see it
