"My President (Edited)"

Yeah be the realest shit I never wrote

I ain't write this shit by the way nigga

Some real shit right here nigga

This will be the realest shit you ever quote

Lets go!

My president is black, my Lambo's blue

And I be god damn if my rims ain't too

My momma ain't at home and daddy still in jail

Tryna make a plate anybody seen the scale

Lets go!

My president is black, my Lambo's blue

And I be god damn if my rims ain't too

My money's light green and my Jordans light grey

And they love to see white now how much you tryna pay

Lets go!

Today was a good day hope I have me a great night

I dunno what you fishin' for hope you catch you a great white

Me I see great white heavy as killer whales
I cannot believe this who knew it came in bails
Who knew it came with jail who knew it came with prison
Jus cuz you got an opinion does that make you a politician
Bush robbed all of us would that make him a criminal
& den he cheated in Florida would dat make him a seminal

I say and I quote "we need a miracle"
And I say a miracle cuz this shit is hysterical
By my nephews and nieces I will email Jesus
Tell him forward to Moses and cc Allah
Mr. soul survivor does that make me a konvict
Be all u can be now don't dat sound like some dumb shit
When you die over crude oil as black as my nigga boo
It's really a desert storm that's word to my nigga clue

Catch me in Las Vegas, a.r. Arizona
Rep for them real niggaz im winnin' in California
Winnin' in Tennessee hands down Atlanta
Landslide Alabama on my way to Savannah
My president is black, my Lambo's blue
And I be god damn if my rims ain't too
My momma ain't at home and daddy still in jail
Tryna make a plate anybody seen the scale

Lets go!

My president is black, my Lambo's blue
And I be god damn if my rims ain't too
My money's light green and my Jordans light grey
And they love to see white now how much you tryna pay

Lets go!

I said I woke up this morning headache this big!
Pay all these damn bills feed all these damn kids
Buy all these school shoes buy all these school clothes
For some strange reason my son addicted to polos
Love me some spinach dip I'm addicted to Houston's
And if the numbers is right I take a trip out to Houston
A earthquake out in China a hurricane in New Orleans
Street dreams tour I showed my ass in New Orleans

Did it for soulja slim brought out b.g.

Its all love bun, I'm forgiving you pimp c

You know how the pimp be

That nigga go'n speak his mind

If he could speak down from heaven

He tell me stay on my grind

Tell him I'm doin' fine Obama for mankind

We ready for damn change so ya'll let the man shine

Stuntin' on Martin Luther feelin just like a king

Guess dis is what he meant when he said dat he had a dream

My president is black, my Lambo's blue
And I be god damn if my rims ain't too
My momma ain't at home and daddy still in jail
Tryna make a plate anybody seen the scale

Lets go!

My president is black, my Lambo's blue
And I be god damn if my rims ain't too
My money's light green and my Jordans light grey
And they love to see white now how much you tryna pay

Lets go!

Yeah!

History, black history
No president ever did shit for me
Had to hit the streets try to flip some keys
So a nigga wont go broke
Then they put us in jail now a nigga cant go vote
So I spend dough all these hoes is trippin'
She ain't a politician honeys a politician
My president is black Rolls golden charms
Twenty two inch rims like Hulk Hogan's arms
When thousands of people is riled up to see you
That can arouse ya ego you got mouths to feed so
Gotta stay true to who you are and where you came from

Cuz at the top will be the same place you hang from

No matter how big you can ever be

For whatever fee or publicity never lose your integrity

For years there's been surprise horses in this stable

Just two albums in I'm the realest nigga on this label

Mr black president yeah Obama fa real

They gotta put ya face on the five thousand dollar bill

My president is black, my Lambo's blue

And I be god damn if my rims ain't too

My momma ain't at home and daddy still in jail

Tryna make a plate anybody seen the scale

Lets go!

My president is black, my Lambo's blue

And I be god damn if my rims ain't too

My money's light green and my Jordans light grey

And they love to see white now how much you tryna pay

Lets go!

So I'm sittin' here right now man

(how much you tryna pay)

Its June third haha 2:08 am
