"Not Afraid"

I'm not afraid (I'm not afraid)

Yeah

To take a stand (to take a stand)

It's been a ride

Everybody (everybody)

I guess I had to go to that place

Come take my hand (come take my hand)

To get to this one

We'll walk this road together, through the storm

Now some of you might still be in that place

Whatever weather, cold or warm

If you're tryna get out (just lettin' you know that you're not alone)

Just follow me (holla if you feel like you've been down the same road)

I'll get you there

You can try and read my lyrics off of this paper before I lay 'em

But you won't take the sting out these words before I say 'em

'Cause ain't no way I'ma let you stop me from causin' mayhem

When I say I'm a do somethin', I do it
I don't give a damn what you think
I'm doin' this for me, so fuck the world, feed it beans
It's gassed up, if it thinks it's stoppin' me
I'ma be what I set out to be, without a doubt, undoubtedly
And all those who look down on me, I'm tearin' down your balcony
No if, ands or buts, don't try to ask him why or how can he
From "Infinite" down to the last "Relapse" album he's still shittin'
Whether he's on salary, paid hourly, until he bows out or he shits his bowels
out of him
Whichever comes first, for better or worse
He's married to the game, like a fuck you for Christmas
His gift is a curse, forget the Earth, he's got the urge to pull his dick from
the dirt
And fuck the whole universe
I'm not afraid (I'm not afraid)
To take a stand (to take a stand)
Everybody (everybody)
Come take my hand come (come take my hand)
We'll walk this road together, through the storm
Whatever weather, cold or warm
Just lettin' you know that you're not alone
Holla if you feel like you've been down the same road

Okay, quit playin' with the scissors and shit, and cut the crap
I shouldn't have to rhyme these words in the rhythm for you to know it's a
wrap

You said you was king

You lied through your teeth, for that, fuck your feelings
Instead of gettin' crowned you're gettin' capped, and to the fans

I'll never let you down again, I'm back

I promise to never go back on that promise

In fact, let's be honest, that last "Relapse" CD was eh

Perhaps I ran them accents into the ground

Relax, I ain't goin' back to that now

All I'm tryna say is get back, click-clack, blaow, 'cause I ain't playin' around

There's a game called circle and I don't know how

I'm way too up to back down

But I think I'm still tryna figure this crap out

Thought I had it mapped out but I guess I didn't, this fuckin' black cloud

Still follows me around but it's time to exercise these demons

These muh'fuckers are doin' jumpin' jacks now

I'm not afraid (I'm not afraid)

To take a stand (to take a stand)

Everybody (everybody)

Come take my hand come (come take my hand)

We'll walk this road together, through the storm

Whatever weather, cold or warm
Just lettin' you know that you're not alone
Holla if you feel like you've been down the same road
And I just can't keep living this way
So starting today
I'm breaking out of this cage
I'm standing up, I'ma face my demons
I'm manning up, I'ma hold my ground
I've had enough, now I'm so fed up
Time to put my life back together right now (now)
It was my decision to get clean, I did it for me
Admittedly, I probably did it subliminally for you
So I could come back a brand new me, you helped see me through
And don't realize what you did, ('cause) believe me you
I been through the wringer, but they could do little to the middle finger
I think I got a tear in my eye, I feel like the king of
My world, haters can make like bees with no stingers and drop dead
No more beef lingers, no more drama from now on
I promise to focus solely on handlin' my responsibilities as a father
So I solemnly swear to always treat this roof like my daughters and raise it
You couldn't lift a single shingle on it, 'cause the way I feel
I'm strong enough to go to the club or the corner pub
And lift the whole liquor counter up 'cause I'm raising the bar

I'd shoot for the moon but I'm too busy gazin' at stars, I feel amazing and
I'm not

I'm not afraid (I'm not afraid)

To take a stand (to take a stand)

Everybody (everybody)

Come take my hand come (come take my hand)

We'll walk this road together, through the storm

Whatever weather, cold or warm

Just lettin' you know that you're not alone

Holla if you feel like you've been down the same road
