Do the triple x when I'm in a freak (baow, baow)

Knock a ho to her knee

Beat her back down, bitch, tried to skeet  
Bih turn around, come suck the meat  
Round for round, finna beat her 'til she sleep  
Eat her pussy up, bon appétit  
Take her back a day, like I'm on the Jeep  
Slow it down, baby, ride me like a Z  
Double cup, you gon' ride me straight to sleep  
Two hoe's tryna fuck me while I'm geeked  
Blame it on the pill when she gettin' beat  
Goin' ham on her when I give her D  
Goin' home, boy, I gotta keep it P  
Gotta go home to up in these streets  
She gonna bump and bump and boom, she gonna make that booty move  
I'm in that bih, got it ho in the mood  
And we be geekin', lights up to the moon  
We on some shit that we don't 'posed to do  
One of my bro hoes came out the Ub'  
I don't know, but that ho lookin' ooh (boaw, boaw, boaw, boaw, boaw)  
Shit was leakin', ooh, juice, shit was peachy just like the fruit  
She say, "That the shit was fruit, " I say, "That the shit was goose"  
I just beat that pussy loose, knock them walls down, all I do  
Hit that ho like one or two  
Three, four, times that addin', ooh
