## "Sacred Worlds"

The realm's bleeding

It suffers - Old and weak

No further arguing there is war at hand

(The system's failing) - Engine's running

Then after all, I sense the end is dawning

These lunatics deny the truth

I know I will not fail

There'll be war, It's now or never

We shall stand together

One by one

This world is sacred

I'm coming home

War, It's now or never

We shall stand together

One by one

This world is sacred

I'm coming home

Coming home

You chase in twilight and you know

You will be on your own

On your own!

The misery show

I'll be alone in this hour

I face the unknown

Witness the end

I'm bleeding, I'm fading

Here in my final hour

When long lost memories return

And a voice keeps calling

"All dead and gone

It's out of hand, life is in motion

(I'm wishing) Time to wake up

Face the truth"

I'm sinking, I'm drowning

There's no doubt and no regret

(Time to reveal now)

This is no illusion, it is real

Carry on the flame

It's not over now  
Watch me, I will rise  
Time to reveal now  
I know I will not fail anymore  
I'm the one forever  
All that really matters  
Blessed realm  
This world is sacred  
I'm coming home  
War, it's now or never  
We shall stand together  
One by one  
This world is sacred  
I'm coming home  
Yesterday's gone  
There's no today, no tomorrow  
I'm raised from the dead  
The ritual failed  
Now at the gates  
I'm left alone in this hour  
Driven insane  
I am left alone  
And now I drown in deepest shadows

While the golden hall is sealed

I'm wishing, I'm fading

And I'm part of the machine

My eyes are the eyes of a dead man

And feel the unholy stream

The source of my power

T-energy, I'm in control

I'M IN CONTROL!!

I will live forever

All that really matters

I'm the one

This world is sacred

I'm coming home

War, it's now or never

We shall stand together

One by one

This world is sacred

I'm coming home

I spread my wings, but keep on falling

I should have known, can't see it coming

(War is over) Whispering in the wind

Just let me out of here

There is no end, there's no way

While all the suffering goes on  
All that I know is that I'm not insane  
It's not over
