Yeah (mm, mm)

I been rolled up, look, I was geekin'

I was-, huh, I was high as fuck, tweakin' (yeah, yeah, yeah)

I was tryna strike shit, I was tryna strike shit

I was tryna strike shit, like a match, late night, yeah

Strike like I missed it, strike like I hit the pin

Strike like I'm not goin' to work, strike, strike

You know that shit look real when you already do

You know the guys sip on drank 'til it's early, yeah

All of this Bottega, shoulda shopped at Burlington

Drank man had cracked the seal, I begged him to sell it too (I did)

Stars in the roof, this shit ain't nothin', I switch the coupe (gang)

Strike like I missed it (yeah), strike like I hit the pin (yeah)

Strike like I'm not goin' to work (Yeah), strike, strike

Slide, slide, shoulders, huh, shoulders

Stack them old hundreds, recreate Yoda (hm, hm, hm)

I don't put no crushed ice in my soda (hm, hm, hm)

Perky got her stuck like a holster, uh (hm, hm, hm)

It's a gun in my holster (hm, hm, hm, no stylist)

New Balenci' out in Dover (hm, hm, hm, 220)

It's a four in my soda, sit on a Balenci' coaster (shh)
