"The Less I Know the Better"

Someone said they left together
I ran out the door to get her
She was holding hands with Trevor
Not the greatest feeling ever
Said, "Pull yourself together
You should try your luck with Heather"
Then I heard they slept together
Oh, the less I know the better
The less I know the better
Oh my love, can't you see yourself by my side
No surprise when you're on his shoulder like every night
Oh my love, can't you see that you're on my mind
Don't suppose we could convince your lover to change his mind
So goodbye
She said, "It's not now or never"

Wait ten years, we'll be together"

I said, "Better late than never

Just don't make me wait forever"

Don't make me wait forever

Don't make me wait forever

Oh my love, can't you see yourself by my side?

I don't suppose you could convince your lover to change his mind

I was doing fine without you

'Til I saw your face, now I can't erase

Giving in to all his bullshit

Is this what you want, is this who you are?

I was doing fine without you

'Til I saw your eyes turn away from mine

Oh, sweet darling, where he wants you

Said, "Come on Superman, say your stupid line"

Said, "Come on Superman, say your stupid line"

Said, "Come on Superman, say your stupid line"
