"There Goes My Baby"

I was rolling in my car when I pulled up at the mall
Couldn't find a place to park, threw my keys to the valet

I was only there to hang, wasn't lookin' for a thing
I was just about to bounce and then I saw Miss Lady

Then I said to myself

There goes my baby, there goes my destiny

Onliest one for me, there go my baby

There goes my lady, she gon' be the one

We gon' fall in love, we gonna have some babies

She was coming out the shoe store, pretty little thing

A couple of bags in her hand right in front of Macy's

Then I saw her at the food court sipping lemonade

Conversating on her cell phone, looking so amazing

And I said to myself

There goes my baby, there goes my destiny

Onliest one for me, there go my baby
There goes my lady, she gon' be the one
We gon' fall in love, we gonna have some babies
She gon' wear my ring, she gon' take my name
Take her to the cookout, me and her gon' hang
Take her to my mama house, meet Smokey and them
If she need her hair done, see my cousin Carol
I'll treat her like a queen, give her everything
She will be my girl 'til we old and gray
And I knew it from the moment
That I saw her lovely, lovely face
There goes my baby, there goes my destiny
Onliest one for me, there go my baby
There goes my lady, she gon' be the one
We gon' fall in love, we gonna have some babies
There goes my baby, there goes my destiny
Onliest one for me, there go my baby
There goes my lady, she gon' be the one
I love it when you smile, I love it when you walk
When you talk me, it makes me so
Crazy, crazy, crazy, it's blowing my mind
That you give me some of your time
