"Today Was a Fairytale"

Today was a fairytale

You were the prince

I used to be a damsel in distress

You took me by the hand, and you picked me up at six

Today was a fairytale

Today was a fairytale

Today was a fairytale

I wore a dress

You wore a dark gray t-shirt

You told me I was pretty when I looked like a mess

Today was a fairytale

Time slows down

Whenever you're around

Can you feel this magic in the air?

It must have been the way you kissed me

Fell in love when I saw you standing there

It must have been the way

Today was a fairytale

It must have been the way

Today was a fairytale

Today was a fairytale

You've got a smile

Takes me to another planet

Every move you make everything you say is right

Today was a fairytale

Today was a fairytale

All that I can say

Is now it's getting so much clearer

Nothing made sense 'til the time I saw your face

Today was a fairytale

Time slows down

Whenever you're around, yeah

But can you feel this magic in the air?

It must have been the way you kissed me

Fell in love when I saw you standing there

It must have been the way

Today was a fairytale

It must have been the way

Today was a fairytale

Time slows down

Whenever you're around

I can feel my heart

It's beating in my chest

Did you feel it?

I can't put this down

But can you feel this magic in the air?

It must have been the way you kissed me

Fell in love when I saw you standing there

It must have been the way

But can you feel this magic in the air?

It must have been the way you kissed me

Fell in love when I saw you standing there

It must have been the way

Today was a fairytale

It must have been the way

Today was a fairytale

Oh, oh

Oh, oh, yeah, oh-oh

Today was a fairytale
