"Waterfalls"

A lonely mother gazing out of her window
Staring at a son that she just can't touch
If at any time he's in a jam she'll be by his side
But he doesn't realize he hurts her so much
But all the praying just ain't helping at all
'Cause he can't seem to keep his self out of trouble
So, he goes out and he makes his money the best way he know how
Another body laying cold in the gutter
Listen to me
Don't go chasing waterfalls
Please stick to the rivers and the lakes that you're used to
I know that you're gonna have it your way or nothing at all
But I think you're moving too fast
Little precious has a natural obsession for temptation
But he just can't see
She give him loving that his body can't handle
But all he can say is, "Baby, it's good to me"

One day he goes and takes a glimpse in the mirror

But he doesn't recognize his own face

His health is fading and he doesn't know why

Three letters took him to his final resting place

Y'all don't hear me

Don't go chasing waterfalls

Please stick to the rivers and the lakes that you're used to

I know that you're gonna have it your way or nothing at all

But I think you're moving too fast

I seen a rainbow yesterday

But too many storms have come and gone

Leavin' a trace of not on God-given ray

Is it because my life is ten shades of gray

I pray all ten fade away

Seldom praise Him for the sunny days

And like his promise is true

Only my faith can undo

The many chances I blew

To bring my life to anew

Clear blue and unconditional skies

Have dried the tears from my eyes

No more lonely cries

My only bleedin' hope

Is for the folk who can't cope
Wit such an endurin' pain
That it keeps 'em in the pourin' rain
Who's to blame
For tootin' caine in your own vein
What a shame
You shoot and aim for someone else's brain
You claim the insane
And name this day in time
For fallin' prey to crime
I say the system got you victim to your own mind
Dreams are hopeless aspirations
In hopes of comin' true
Believe in yourself
The rest is up to me and you
Don't go chasing waterfalls
Please stick to the rivers and the lakes that you're used to
I know that you're gonna have it your way or nothing at all
But I think you're moving too fast
Don't go chasing waterfalls
Please stick to the rivers and the lakes that you're used to
I know that you're gonna have it your way or nothing at all
But I think you're moving too fast
