### "When I Grow Up"

Boys call you sexy  
And you don't care what they say  
See every time you turn around  
They screaming your name  
Boys call you sexy  
And you don't care what they say  
See every time you turn around  
They screaming your name  
Now I've got a confession  
When I was young I wanted attention  
And I promised myself that I'd do anything  
Anything at all for them to notice me  
But I ain't complaining  
We all wanna be famous  
So go ahead and say what you wanna say

You don't know what its like to be nameless

Want them to know what your name is

'Cause see when I was younger I would say

When I grow up

I wanna be famous

I wanna be a star

I wanna be in movies

When I grow up

I wanna see the world

Drive nice cars

I wanna have groupies

When I grow up

Be on TV

People know me

Be on magazines

When I grow up

Fresh and clean

Number one chick

When I step out on the scene

Be careful what you wish for

'Cause you just might get it

You just might get it

You just might get it

Be careful what you wish for  
'Cause you just might get it  
You just might get it  
You just might get it  
They used to tell me I was silly  
Until I popped up on the TV  
I always wanted to be a superstar  
And knew that singing songs would get me this far  
But I ain't complaining  
We all wanna be famous  
So go ahead and say what you wanna say  
You don't know what its like to be nameless  
Want them to know what your name is  
'Cause see when I was younger I would say  
When I grow up  
I wanna be famous  
I wanna be a star  
I wanna be in movies  
When I grow up  
I wanna see the world  
Drive nice cars  
I wanna have groupies  
When I grow up

Be on TV

People know me

Be on magazines

When I grow up

Fresh and clean

Number one chick

When I step out on the scene

Be careful what you wish for

'Cause you just might get it

You just might get it

You just might get it

Be careful what you wish for

'Cause you just might get it

You just might get it

You just might get it

I see them staring at me

Ooh I'm a trendsetter

Yes this is true 'cause what I do

No one can do it better

You can talk about me

'Cause I'm a hot topic

I see you watching me watching me

And I know you want it, oh

When I grow up

I wanna be famous

I wanna be a star

I wanna be in movies

When I grow up

I wanna see the world

Drive nice cars

I wanna have groupies

When I grow up

Be on TV

People know me

Be on magazines

When I grow up

Fresh and clean

Number one chick

When I step out on the scene

Be careful what you wish for

'Cause you just might get it

You just might get it

You just might get it

Be careful what you wish for

'Cause you just might get it

You just might get it

You just might get it

When I grow up

I wanna be famous

I wanna be a star

I wanna be in movies

When I grow up

I wanna see the world

Drive nice cars

I wanna have groupies

When I grow up

Be on TV

People know me

Be on magazines

When I grow up

Fresh and clean

Number one chick

When I step out on the scene

Be careful what you wish for

'Cause you just might get it

You just might get it

You just might get it

Be careful what you wish for

'Cause you just might get it

You just might get it

You just might get it
