"Where Would I Be"

Killers at my front door, that's all I know

QRN

And I'm on Mars right now

Where would I be without this watch? Where would I be without this chain?

Where would I be without my dawg? Where would I be without my gang?

Where would I be if me and Pabb ain't never took that flight to LA?

You'd be right here with me, nigga, instead of in the grave (Woah-woah)

In the grave (Woah-woah)

In the grave (Woah-woah)

Lord knows, sometimes, I pray ('Times, I pray)

'Times, I pray ('Times, I pray)

'Times, I pray

Down low, drop to my knees and pray (I just pray)

I just pray, I just pray

Slow-mo, I can't put down this drank
Down this drank (Down this drank)
Down this drank (Down this drank)
That's my brodie left me hurt inside
Heart broke, they don't know what I'm feelin'
My goal's stack it tall to the ceilin'
Nigga think that he wicked, he spoke on my nigga
We all out of the window, hit him with extensions
Okay, it's plenty problems on my mental
I guess that I'm a product of the trenches
I took a whole lot and made more money, know Pabb say he would've did it
Niggas be cappin', takin' care of women
Don't do shit for family, or neither they nigga
Maserati truck, I think it's a rental
My bro get away, he the realest
When I walk through the door, I'ma smell like a million
It's a quarter, the folks hangin' up with the killers
The real ones label me the realest
Where would I be without this watch? Where would I be without this chain?
Where would I be without my dawg? Where would I be without my gang?
Where would I be if me and Pabb ain't never took that flight to LA?
You'd be right here with me, nigga, instead of in the grave (Woah-woah)
In the grave (Woah-woah)

In the grave (Woah-woah)

Lord knows, sometimes, I pray ('Times, I pray)

'Times, I pray ('Times, I pray)

'Times, I pray

Down low, drop to my knees and pray (I just pray)

I just pray, I just pray

Slow-mo, I can't put down this drank

Down this drank (Down this drank)

Down this drank (Down this drank)

That's my brodie left me hurt inside
