"Your Betrayal"

Am I going insane? (Insane)
My blood is boiling inside of my veins
An evil feeling attacks (attacks)
My body shaking there's no turning back
So take your eyes off the trigger
I'm not to blame if your world turns to black
As your eyes start to blister
There's just no hope for our final embrace
So here we are, I'm in your head
I'm in your heart
You were told to to run away
Soak the place and light the flame
Pay the price for your betrayal
Your betrayal, your betrayal
I was told to stay away

Those two words I can't obey
Pay the price for your betrayal
Your betrayal, your betrayal

Is it my turn to die?

My heart is pounding as I say goodbye

So now I dance in the flames

I love you crying and screaming my name

You said that we'd be forever

How could you kill me and lie to my face

Now that we can't be together

There's just no hope for our final embrace

So here we are, I'm in your head

I'm in your heart

You were told to run away

Soak the place and light the flame

Pay the price for your betrayal

Your betrayal, your betrayal

I was told to stay away

Those two words I can't obey

Pay the price for your betrayal

Your betrayal, your betrayal

Go

So here we are (so here we are, I'm in your head)

(I'm in your head)

I'm in your heart

You were told to to run away

Soak the place and light the flame

Pay the price for your betrayal

Your betrayal, your betrayal

I was told to stay away

Those two words I can't obey

Pay the price for your betrayal

Your betrayal
