"Your Love Is My Drug"

Maybe I need some rehab, or maybe just need some sleep

I've got a sick obsession, I'm seeing it in my dreams

I'm looking down every alley, I'm making those desperate calls

I'm staying up all night hoping, hitting my head against the wall

What you've got, boy, is hard to find

I think about it all the time

I'm all strung out, my heart is fried

I just can't get you off my mind

Because your love, your love, your love is my drug

Your love, your love, your love

I said your love, your love, your love is my drug

Your love, your love, your love

Won't listen to any advice, mom's telling me I should think twice

But left to my own devices I'm addicted, it's a crisis

My friends think I've gone crazy

My judgment's getting kinda hazy

My steeze is gonna be affected if I keep it up like a lovesick crackhead

What you got, boy, is hard to find
I think about it all the time (all the time)
I'm all strung out, my heart is fried
I just can't get you off my mind
Because your love, your love, your love is my drug
Your love, your love, your love
I said your love, your love, your love is my drug
Your love, your love, your love
I don't care what people say
The rush is worth the price I pay
I get so high when you're with me
But crash and crave you when you leave
Hey, so I gotta question
Do you wanna have a slumber party in my basement?
Do I make your heart beat like an 808 drum?
Is my love your drug?
Your drug, huh, your drug
Huh, your drug is my love, your drug?
Because your love, your love, your love is my drug
Your love, your love, your love
I said your love, your love, your love is my drug
Your love, your love, your love
Because your love, your love, your love is my drug

Your love, your love, your love

I said your love, your love, your love is my drug

Your love, your love, your love

Hey, hey, so

Your love, your love, your love, your love is my drug

I like your beard
