"Because of You"

Ooh-oh-oh, oh-oh, oh-oh

Oh-oh-oh-oh-oh, oh-oh-oh-oh-oh

Want to, but I can't help it, I love the way it feels
It's got me stuck between my fantasy and what is real
I need it when I want it, I want it when I don't
Tell myself I'll stop everyday, knowin' that I won't

I got a problem and I don't know what to do about it
Even if I did, I don't know if I would quit but I doubt it

I'm taken by the thought of it

And I know this much is true
Baby, you have become my addiction

I'm so strung out on you
I can barely move but I like it

And it's all because of you (All because of you)

And it's all because of you (All because of you)

And it's all because of you (All because of you)

And it's all because

Never get enough

She's the sweetest drug

Ooh-oh-oh

Think of it every second, I can't get nothin' done

Only concern is the next time I'm gon' get me some

Know I should stay away from, 'cause it's no good for me

I try and try, but my obsession won't let me leave

I got a problem and I don't know what to do about it

Oh, even if I did, I don't know if I would quit but I doubt it

I'm taken by the thought of it, hey

And I know this much is true

Baby, you have become my addiction

I'm so strung out on you (Strung out on you)

I can barely move but I like it (I like it)

And it's all because of you (Oh, all because of you)

And it's all because of you (All because of you)

And it's all because of you (All because of you)

And it's all because

Never get enough (Never get enough)

She's the sweetest drug

Ooh-oh-oh

Ain't no doubt (No doubt, hey), so strung out (Strung out)

Ain't no doubt (There's ain't no grain of doubt, oh), so strung out (Hey)

Over you, over you (You), over you (You)

Ooh-oh-oh

Because of you

And it's all because of you

Never get enough

She's the sweetest drug

And I know this much is true

Baby, you (Baby, you, you, you) have become my addiction (My addiction)

I'm so strung out on you

I can barely move but I like it (Oh I like it, yeah)

And it's all because of you (All because of you)

And it's all because of you (All because of you)

And it's all because of you (All because of you)

And it's all because

Never get enough (Oh never get enough)

She's the sweetest drug

She's the sweetest drug
