"DO IT AGAIN"

You abandoned me, love don't live here anymore

Lil' baby, you act like you know you was wrong

You lyin', watch yo' tone

I'm too fine to be so alone

Not my kind, he is a clone

I'ma get money no matter the cost (cost)

Havin' some water, I'm havin' some Voss (Voss)

Got that dope dick, that's yo' loss (loss)

He is a worker and I am a boss

Lil' baby, you act like you know you was wrong

(You lyin', watch yo' tone)

I'm too fine to be so alone

(Not my kind, he is a clone)

I'ma get money no matter the cost

Havin' some water, I'm havin' some Voss

Got that dope dick, that's yo' loss

He is a worker and I am a boss

You abandoned me, love don't live here anymore

Bitch, go crazy

Bitch, go crazy

Bitch, go crazy

Bitch, go crazy

Summer der Hammer, der Killer, der

Summer der Hammer, der Millionär

Du vermisst Heute meine Stimme sehr

Doch ich zeig dir Heute keinerlei feelings mehr

Zeig, mir noch einmal dein Bubble Butt

Baby, ich hab meine Glock unterm Anorak

Verdoppel mein Lovi ich double up

Fuck it up, Fuck it up, Fuck it up

Habibi du weißt genau wie wir drauf sind

Auf was wir drauf sind, guck worauf wir aus sind

Du kannst uns vertrauen Blind

Dachtest du wirklich ich kacke ab

Als du mich damals verlassen hast

Hustle hard für die Accessoires
Heute hab ich überall Makinas
baby, ich dachte du willst einen cut
Warum schreibst du dann: "Bist du noch wach?"
Erst warst du weg, und jetzt suchst du Kontakt
Du warst mir wichtig, jetzt bist du ballast
Mache Para wer hätte gedacht
Check meine zahlen ich level mich up
Rock heut Rollies, flex mit Guap
Du musst zurück in dein hässliches Kaff
baby, ich dachte du willst einen cut
Warum schreibst du dann: "Bist du noch wach?"
Erst warst du weg, und jetzt suchst du Kontakt
Du warst mir wichtig, jetzt bist du ballast
Mache Para wer hätte gedacht
Check meine zahlen ich level mich up
Rock heut Rollies, flex mit Guap
Du musst zurück in dein hässliches Kaff

You did it before, you will do it again
(You did it before, you will do it again)
You did it before, you will do it again

(You did it before, you will do it again)

Like, for real

Got me workin' and coverin' bills

Got a new girl, she keep it real

She call me, "Daddy," she love how it feel

Lil' baby, you act like you know you was wrong (you abandoned me)

You lyin', watch yo' tone

I'm too fine to be so alone (like a memory)

Not my kind, he is a clone

I'ma get money no matter the cost (cost)

Havin' some water, I'm havin' some Voss (Voss)

Got that dope dick, that's yo' loss (loss)

He is a worker and I am a boss

Lil' baby, you act like you know you was wrong (you abandoned me)

(You lyin', watch yo' tone)

I'm too fine to be so alone (like a memory)

(Not my kind, he is a clone)

I'ma get money no matter the cost

Havin' some water, I'm havin' some Voss

Got that dope dick, that's yo' loss

He is a worker and I am a boss

Don't wanna be homies, don't wanna be friends

Beat my dick before I hit you again

Victim of love won't get me again

Where is my heart gone in the wind

Like for real

Did you know love get you killed

I don't write it, I say how I feel

Tryna think about how Imma heal

You think you slick, ayye-ayye, you easy to read

Pack you bags and leave my keys

Imma forget about you when you leave

Fuck your friend but that'll be green

Sent me a message I left it on seen

Like keep it a bean say that your love me it's really a scheme

Lil' baby, you act like you know you was wrong (you abandoned me)

You lyin', watch yo' tone

I'm too fine to be so alone (like a memory)

Not my kind, he is a clone

I'ma get money no matter the cost (cost)

Havin' some water, I'm havin' some Voss (Voss)

Got that dope dick, that's yo' loss (loss)

He is a worker and I am a boss

Lil' baby, you act like you know you was wrong (you abandoned me)

(You lyin', watch yo' tone)

I'm too fine to be so alone (like a memory)

(Not my kind, he is a clone)

I'ma get money no matter the cost

Havin' some water, I'm havin' some Voss

Got that dope dick, that's yo' loss

He is a worker and I am a boss

You abandoned me

You abandoned me

You abandoned me

You abandoned me, I don't live here anymore
