"Damn!"

They calling me to come back to the streets

Sean P., aka "A Sharp Crease"

Said it was necessary, these sucka niggas out here very scary

They cuffing hoes, they living in the month of February

OK then, put a sissy nigga on display then

Kick in your door and have my folks bring them K's in

I'm still Attic A-double T-I-C

It ain't a hoe out there, for real, who don't know bout me

Bitch I'm for sure with it

Don't make me pop that trunk to the 'Lac

Bitch I will go get it

And I ain't selfish, I will let you and your ho feel it

Won't catch me sipping on no Cris and got a cold belly

It's Youngbloodz A-Town malt liquor sipping

Coming straight from the gutter

Toe-tag a motherfucker, leave them under a cover

Lil John he drop the beat that make you bounce like rubber

Sean Paul he tote the heat to make you mug then slug ya, yeah

If you don't give a damn, we don't give a fuck (Hey!)

If you don't give a damn, we don't give a fuck (Hey!)

If you don't give a damn, we don't give a fuck (Hey!)

If you don't give a damn, we don't give a fuck (Hey!)

(Don't start no shit, it won't be no shit!

Don't start no shit, it won't be no shit!

Don't start no shit, it won't be no shit!

Don't start no shit, it won't be no shit!)

Out of town hard heads get Swiss cheesed up
And you gonna need more than stitches to patch that leak up
Chump like me up my mouth TB'd up
With the plush leather guts steady gripping the butt
Oh you for sure with it, then pull your pistol
Show a nigga you ain't hoe with it
And I ain't selfish I will let you and your folk feel it
Talking big-boy shit
Mean mugging like a motherfucker, my hand on my dick
Cause off the rip we keep it jumping like it ain't nothing new
We started off with Shake Em Off so look partner, oh guess who?
It's them boys from the bottom who took you down 85
And hit you with that U-Way so look here don't be surprised
We bucking, blowing, chilling and sipping on something good
I'm peeping out the scenery, wishing a nigga would
In case it just might pop off I'm ready to lock and load
To take you through the South to show you how we throw them bows
If you don't give a damn, we don't give a fuck (Hey!)
If you don't give a damn, we don't give a fuck (Hey!)
If you don't give a damn, we don't give a fuck (Hey!)
If you don't give a damn, we don't give a fuck (Hey!)

(Don't start no shit, it won't be no shit!

Don't start no shit, it won't be no shit!

Don't start no shit, it won't be no shit!

Don't start no shit, it won't be no shit!)

If you don't give a damn, we don't give a fuck (Hey!)
