## "Double Fantasy"

Temperature rising, bodies united, now that I've trapped you in my arms  
No need to fight it, no need to hide it, now that I've seen what's in your  
heart

Baby girl, I'm the only one who knows this side of you

And, baby, you know that I can pull out what's inside of you even though it's  
wrong

It's wrong

Even though it's wrong, baby

My girl

Oh-oh-oh-oh-oh, oh-oh

Oh-oh-oh-oh-oh, oh-oh

You want me inside it, beg me to slide in

Knowing we should have never met

Girl, when you ride it, see you decide it

Don't say those words that you'll regret

Baby girl, I can tell that you think that I'm right for you

I already know that it's not true, but, girl, I'll lie to you even though it's  
wrong

It's wrong

Even though it's wrong, baby

Oh girl

Oh-oh-oh-oh-oh, oh-oh

Oh-oh-oh-oh-oh, oh

We do the things, what we know is wrong

All in my skin, you all in my palm

I sent you an envelope, came with a poem

You possess venom that came with a charm

You get the good out of me when I perform

I know the bad in you, that's what I want

And you a baddie, you turnin' me on

Fiend for your demons, I know where this goin'

Love when you fuckin' me, talkin', girl, you know what you doin'

Caught up in your love, what the fuck is we doin'?

Models and bottles with us, ain't nothin' to it

I tell you I got you, that's well understood

Your legs on the bed, got your head on the floor

We go out shoppin' whenever we get bored

We get the poppin' treatment in the store  
If I go to Saturn, I know that you're goin'  
Fuck me on Saturday, early in the morn'  
Found her in the bird, she gon' open her door  
Screamin' out murder, but showin' you remorse  
Gotta be cautious, can't play this in court  
Stars on the ceilin', don't feel like a Porsche  
Came from the trenches, just livin' on war  
Once was a prostitute, I can afford it, the one I adore

Temperature rising, bodies united, now that I've trapped you in my arms  
No need to fight it, no need to hide it, now that I've seen what's in your  
heart

Baby girl, I'm the only one who knows this side of you  
And, baby, you know that I can pull out what's inside of you even though it's  
wrong

It's wrong  
Even though it's wrong, baby

My girl
