"Fly Girl"

If you're a fly girl, get your nails done

Get a pedicure, get your hair did

See, you're tellin' me I'm pretty, but it's obvious

I don't need no man to tell me where the party is

If you're a fly girl, get your nails done

Get a pedicure, get your hair did

See, you're tellin' me I'm pretty, but it's obvious

I don't need no man to tell me where the party is

Checklist, take it off, what you got

Pricey, so you better have a lot

A time piece and it don't tik tok

If you can't afford my time, then just watch

Untouchable, pretty too

Available, but not for you

Too sexy way too fly

You get none of my

I got plans tonight you ain't part of them
'Cause my girls and I, yeah, we all a ten
Know it's ladies night shout to all of them
Put your one's up in the sky if you a fly

If you're a fly girl, get your nails done

Get a pedicure, get your hair did

See, you're tellin' me I'm pretty, but it's obvious
I don't need no man to tell me where the party is

If you're a fly girl, get your nails done

Get a pedicure, get your hair did

See, you're tellin' me I'm pretty, but it's obvious
I don't need no man to tell me where the party is

Oh, babe

Might leave you waiting all day

'Cause all these material things

Are not enough to make me stay

You can't handle all this nana

Talk but I ain't hearing nada

You're gonna have to try a little harder

It takes a real one to hold me down, down, down

I got plans tonight, you ain't part of them

'Cause my girls and I, yeah, we all a ten

No, it's ladies night, shout to all of 'em

Put your arms up in the sky if you a fly girl

If you're a fly girl, get your nails done

Get a pedicure, get your hair did

See, you're tellin' me I'm pretty, but it's obvious

I don't need no man to tell me where the party is

If you're a fly girl, get your nails done

Get a pedicure, get your hair did

See, you're tellin' me I'm pretty, but it's obvious

I don't need no man to tell me where the party is

If you a fly girl, get your nails done

Get a pedicure, get your hair did

All my ladies go and get a outfit

And buy a new lace wig

Back up on the market, better put in you a bid

'Cause when Missy throw a party, you can't find no where to sit

Booty, booty everywhere

I make all the dudes throw their money in the air

Me and my girls yeah we looking fabulair

Ooh, stop the track, strike a pose, stop and stare

Wait, make it shake

All that cake, let it bake

I know you wanna see my body in a vase

Don't still look like Halle Berry in the face

Oh, oh, Missy and FLO we came to ride

We don't even need a guy to tell us we fly

When the party get to popping you know we inside

So put your one's up in the sky

If you're a fly girl, get your nails done

Get a pedicure, get your hair did

See, you're tellin' me I'm pretty, but it's obvious

I don't need no man to tell me where the party is

If you're a fly girl, get your nails done

Get a pedicure, get your hair did

See, you're tellin' me I'm pretty, but it's obvious

I don't need no man to tell me where the party is

Why we got 'em so pressed

Seeing us on top and it's got 'em all stressed

Fly girls, say, Yes

Tryna compete but it ain't a contest

Why we got 'em so pressed

Ti esrever dna ti pilf, nwod gniht ym tup

Say less

Fly girls, say, Yes

Tryna compete but it ain't a contest

FLO, I like that... versuri.online
