"Foolish"

Murder Inc

Ashanti

See, my days are cold without you

But I'm hurting while I'm with you

And though my heart can't take no more

I keep on running back to you

See, my days are cold without you

But I'm hurting while I'm with you

And though my heart can't take no more

I keep on running back to you

Baby, I don't know why you're treating me so bad

(Treat me so bad)

You said you love me, no one above me and I was all you had

(All you had)

And though my heart is beating for you, I can't stop crying

I don't know how I allow you to treat me this way and still I stay

See, my days are cold without you (Without you)

But I'm hurting while I'm with you (Oh, whoa)

And though my heart can't take no more

I keep on running back to you (Keep on running back to you)

See, my days are cold without you (Without you)

But I'm hurting while I'm with you

And though my heart can't take no more

I keep on running back to you

Baby, I don't know why you wanna do me wrong (Do me wrong)

See when I'm home, I'm all alone and you are always gone (Always gone)

And boy, you know I really love you, I can't deny

I can't see how you could bring me to so many tears after all these years

See, my days are cold without you (My days, yeah)

But I'm hurting while I'm with you

And though my heart can't take no more (No more, no more)

I keep on running back to you

See, my days are cold without you (Without you)

But I'm hurting while I'm with you (Without you)

And though my heart can't take no more

I keep on running back to you (I keep on running back to you)

Ooh, I trusted you, I trusted you

So sad, so sad what love will make you do

All the things that we accept

Be the things that we regret

To all of my ladies (Ladies)

Feel me, come on, sing with me

See, when I get the strength to leave

You always tell me that you need me

And I'm weak 'cause I believe you

And I'm mad because I love you

So I stop and think that maybe

You can learn to appreciate me

Then it all remains the same

That you ain't never gonna change

(Never gonna change, never gonna change)

See, my days are cold without you (My days are cold, baby)

But I'm hurting while I'm with you

And though my heart can't take no more (No more, no more)

I keep on running back to you

See, my days are cold without you (Without you)

But I'm hurting while I'm with you

And though my heart can't take no more (No more, no more)

I keep on running back to you

Baby, why you hurt me, leave me and desert me?

Boy, I gave you all my heart and all you did was tear it up

Looking out my window, knowing that I should go

Even when I pack my bags, this something always holds me back
