"Put It On Da Floor"

Go Grizz

Squat made the beat

What's happenin'? (Haha)

Big Latto

Rip me out the plastic, I been actin' brand new
Bitches actin' like they runnin' shit, they really ran through
I'll spend that five hundred 'fore I ever trap you
They thought I was gon' fall off, I hate to bring you bad news
Threw so many racks, a bitch can't even see the floor
From Atlanta to LA, the only time I'm back and forth
Cheap niggas make you pick, rich niggas get you both
Gave the Bentley to valet and let that nigga drive the boat
Shh, be quiet, be quiet, let me pop off
Leave the club sloppy drunk, come home and get my rocks off
Heard 'Bitch from Da Souf', he tryna see me knock his socks off
Told them bitches meet me at the top, think they got lost

Tuh, I'm on go like Grizz

She thought I would kiss her ass, she must ain't took her meds, tuh

Shit around my neck, it cost a arm and leg

Swear that nigga set for life, I let him get me preg

I done done it all (Tuh), feel like Shawty LO (Tuh)

Laughin' to the bank (Tuh) but shit is not a joke (Tuh)

Say she got a problem? (Tuh) Imaginary smoke (Tuh)

Bitches said it's up (Tuh) then put it on the floor (Tuh)

I done done it all (Tuh), feel like Shawty LO (Tuh)

Laughin' to the bank (Tuh) but shit is not a joke (Tuh)

Say she got a problem? (Tuh) Imaginary smoke (Tuh)

Bitches said it's up (Tuh) then put it on the floor (Tuh)

I don't know, what y'all been told (Told)

Bet yo' mans know, if you don't? What's happenin'

Smokin' on that gas, blunt big as Coi Leray

Bitches like to run their mouths but I'm the type to run the fade

When your diamonds hit like this, you don't ever see the shade

Got the key to my city, they gave me a holiday, bitch (Bitch)

All kinda shit (Uh)

Let me pull my diamond tester out, these bitches counterfeit (What?)

Better keep my name up out her mouth, they been tryin' it (Boom)

If it's beef then let me know, baby, why you hidin' it? (Haha, ha)

And I heard about your coochie, bitch

Pits like your pussy, we all know that cat is givin' fish (Bitch)

When I send that eggplant that nigga know what time it is

My ex crazy 'bout me, better be ready to die in it

I done done it all (Tuh), feel like Shawty LO (L-O)

Laughin' to the bank (Haha) but shit is not a joke (Never)

Say she got a problem? (Tuh) Imaginary smoke (Phew)

Bitches said it's up (What?) then put it on the floor (Tuh)

I done done it all (Tuh), feel like Shawty LO (Shawty LO)

Laughin' to the bank (Tuh) but shit is not a joke (Not a joke)

Say she got a problem? (Tuh) Imaginary smoke (Brr)

Bitches said it's up then put it on the floor (Pew)

I don't know, what y'all been told (Told)

Bet yo' mans know, if you don't? What's happenin'

Tuh

Put that shit on the floor then

Y'all bitches like to talk, put that shit on the floor then

All this imaginary smoke, all the he say, she say, you feel me

Let me know

Just let me know

Just let me know

Just let me know

Haha, ha, put it on the floor, bitch

Yeah, keep all that
