"Softest Touch"

I guess that means you qualified

How the fuck you choke then don't choke

Then do it both from the side? Hey

Now you laying there breathless

That slides down you

Whenever we start touching

It gets all on you, all on me

You looked at me, told me to tell a lie

Grabbed my neck, put it on my face

Don't know how much more that I can take

I just love that glu
That slides down you
Whenever we start touching
It gets all on you, all on me
From fucking
That's when that glu
Done got you, hey, hey, hey
When it's all on you

It gets all on you, all on me
When I'm stuck in
That's when that glu done got you, hey

Slides down you whenever we...
