"Suspicious Minds"

We're caught in a trap

I can't walk out

Because I love you too much, baby

Why can't you see

What you're doing to me

When you don't believe a word I say?

We can't go on together

With suspicious minds (with suspicious minds)

And we can't build our dreams

On suspicious minds

So if an old friend I know

Drops by to say hello

Would I still see suspicion in your eyes?

Here we go again

Asking where I've been

You can't see the tears are real
I'm crying (yes, I'm crying)

We can't go on together
With suspicious minds (with suspicious minds)
And we can't build our dreams
On suspicious minds

Oh, let our love survive
I'll dry the tears from your eyes
Let's don't let a good thing die
When honey, you know I've never lied to you
Mmm, yeah, yeah

We're caught in a trap
I can't walk out
Because I love you too much, baby
Why can't you see
What you're doing to me
When you don't believe a word I say?

Don't you know we're caught in a trap?
I can't walk out

Because I love you too much, baby
Don't you know we're caught in a trap?

I can't walk out

Because I love you too much, baby

Don't you know I'm caught in a trap?

I can't walk out

Because I love you too much, baby

Don't you know I'm caught in a trap?

I can't walk out

Because I love you too much, baby

Don't you know I'm caught in a trap?

I can't walk out

Because I love you too much, baby

Don't you know I'm caught in a trap?

I can't walk out

Because I love you too much, baby

Don't you know I'm caught in a trap
