"Fell In Love"

You ain't fall in love with me
You fell in love with the man I could be
You ain't fall in love with me
You fell in love with your vision of me

She said, "Boy you ain't no good", b-, I know
F- I'm 'posed to do 'bout that? I'm on go
I've been moving state to state, I went pro (went pro)
Baby, plenty dough, heavy flow, sh- crazy

I can ease your mind, if you going through something
That don't mean I can cure depression (can't cure a thing)
I'll free my night if you wanna do something (do something)
But I'm taking your direction

You ain't fall in love with me
You fell in love with the man I could be
You ain't fall in love with me
You fell in love with your vision of me

She said, "Boy who you been with?" "I been low"
She said she don't believe that sh-, she think I'm gross
I can't even hug a b-, she gon' know
Then fight me for the h- of it
I gotta dip, gotta go somewhere

Have I been wrong?
Have I been gone too long to know where I belong?
Woah

You ain't fall in love with me
You fell in love with the man I could be
You ain't fall in love (no, oh-oh, oh)
You fell in love with your vision of me
