"SHAKE SUMN"

Yeah, call the fireman, she a hot girl

Come shake some, bitch

I don't know how to dance but can lean

And make the ghetto bitches put they hands on they knees (ah)

Make the ghetto bitches put they hands on they knees (ah)

Make the ghetto bitches put they hands on they knees (yeah)

I don't know how to dance but can lean

And make the ghetto bitches put they hands on they knees (ah)

Make the ghetto bitches put they hands on they knees (yeah)

Make the ghetto bitches put they hands on they knees

Yeah, call the fireman, she a hot girl, put her out

Ooh, I just broke a sweat in this bitch, get a towel

She said, "Nothin' been happenin' now, it's a drought"

I tell her put her ass in the air, dick her down (ooh)

Go get in timeout, you a baddie (ooh)

Just sent me a spot with the addy (ooh)

I get up and pop me a Addy (uh-huh)

I get up and pop me a Addy (mm-hm)

I get up and catch me a flight

The shit took me 'bout four hours, went out to Cali (mm-hm)

And it don't matter how much she say it

It still ain't no way she can make me her daddy

I don't know how to dance but can lean

And make the ghetto bitches put they hands on they knees (ah)

Make the ghetto bitches put they hands on they knees (ah)

Make the ghetto bitches put they hands on they knees (yeah)

I don't know how to dance but can lean

And make the ghetto bitches put they hands on they knees (ah)

Make the ghetto bitches put they hands on they knees (yeah)

Make the ghetto bitches put they hands on they knees

Come shake some

Come shake some

Come shake some (that's my baby)

Come shake some

come shake some

(Put her in time out, she a baddie) come shake some

(Put her in time out, she a baddie) come shake some

I don't know how to dance but can lean

And make the ghetto bitches put they hands on they knees (ah)

Make the ghetto bitches put they hands on they knees (ah)

Make the ghetto bitches put they hands on they knees (yeah)

I don't know how to dance but can lean

And make the ghetto bitches put they hands on they knees (ah)

Make the ghetto bitches put they hands on they knees (yeah)

Make the ghetto bitches put they hands on they knees

Come shake some
