"Slide Rn"

On God, Quincy gon' be a hit (On God, Quincy gon' be a hit)
Yeah-yeah, yeah-yeah
Yeah-yeah
Yeah-yeah, yeah-yeah

Daddy, come over here (yeah)
Daddy, come over here (come over)
Got a confession, want you, obsession
Boy, you gon' love it (yeah, yeah)

Bae, you know what's up with me
Can't no hoe out here fuck with me
'Cause the way that I'm coming is different
I'm nun like these bitches, that's the reason you stuck on me

So baby, slide right now (right now)
Know you're tired of fucking with these hoes by now (right now)
So baby, come and slide right now (right now)
Daddy, I'm gon' make you love it (gon' make you love it)
You won't wanna leave, I swear (won't wanna leave, I swear)

So baby, come and slide right now (right now)
Know you tired of fucking with these hoes right now (right now)
So baby, come and slide right now (right now)
Daddy, I'm gon' make you love it (gon' make you love it)
You won't wanna leave, I swear (won't wanna leave, I swear)

So bae, what you want with me?
Trying to get you alone with me (yeah-yeah)
And show you a vibe that she can't provide

Boy, you can't go wrong with me
You say that hoe don't do it for you (no more)
Well, I'm finna remove her for you (yeah-yeah)
So why the fuck is we waiting?
I'm done being patient
It's yours daddy, now come take it

So baby, slide right now (right now) yeah-yeah
Know you're tired of fucking with these hoes by now (right now)
So baby, come and slide right now (right now)
Daddy, I'm gon' make you love it (gon' make you love it)
You won't wanna leave, I swear (won't wanna leave, I swear)

So baby, come and slide right now (right now)
Know you tired of fucking with these hoes right now (know you tired of
fucking with these hoes by now)
So baby, come and slide right now (right now)
Daddy, I'm gon' make you love it (gon' make you love it)
You won't wanna leave, I swear (won't wanna leave, I swear)

Slide right now

Yeah-yeah

Come catch a vibe right now

Come on

Yeah

Come on

Come on

Come on

Daddy, yea

Vibe right now

Vibe right now

Come catch a vibe right now

Yeah, yeah

Come catch a vibe right now

Vibe right now

Vibe right now

Yeah
Come catch a
